

ENGLISH & RUGBY

St. Joseph's College, Ipswich (UK).

This **Rugby Immersion Program** for 14-17 year olds, both boys and girls, combines Rugby training and English studies. Elite coaches from Performance Architects, with diverse domestic and international experience, will lead the program. Sessions will cover various aspects of athletic development, including game management and core skills.

It is **set at beautiful St. Joseph's College**, a traditional British boarding school, in walking distance to Ipswich city centre.

Equipment needed

Players will need their sports kit, including football boots, gym trainers and a gum shield.
