Homestay: host families provide students with a private bedroom and breakfast.

ENGLISH LANGUAGE & CROSS-CULTURAL COMPETENCE

The **Intensive English for Communication** summer program at **SDSU Global Campus** will be an interactive, innovative and culturally loaded program. The purpose is to increase not only linguistic competence but also cross-cultural experience.

The part-time language program consists of **15 hours** of English tuition per week in international classes and focuses on communication for social, travel and professional purposes through immersive learning activities.

LEARNING OUTSIDE THE CLASSROOM

Our program includes an exciting fully supervised calendar of student activities including off-campus field trips, cultural and sport events, museum visits, beach activities, favorite tourist sites and shopping malls.

Optional weekend trips: Los Angeles, San Francisco, Las Vegas
