

Welcome to San Diego America's Finest City

Study & Fun under the California Sun 2027

Global Leadership Program @ University of San Diego

English for Future Leaders and Global Success for Young Adults (16-19 years)

**JULY 4 to
AUGUST 8
2027**

This international program is designed for **young adults aged 16 to 19**. It is held at the prestigious **University of San Diego** and offers young students from around the world the opportunity to live and learn on a beautiful US campus. Our round-the clock residential staff ensures **constant supervision** to provide a safe and supportive experience.

CISL @ USD provides English language programs of the highest quality. Students will be placed in an international class according to their English level. Practical, interactive classroom lessons are combined with excursions and an attractive activity program.

ACCOMMODATION

International students stay in a USD residence in comfortable apartments, twin bedrooms and living/study area. Reception area, round-the-clock security, laundry facilities. Residential students are on a **full-board meal plan**.

FREE TIME

The program includes a big variety of fun activities on campus and beach time. "Discover San Diego" afternoon trips as well as one full-day excursion per week.
